

Maidenhead
17 Sept. 1866

Dear Sir

During the last fortnight I have had an unexpected demand for my Reprints, and the consequence is that I can now only supply you with the two parts of my friend's "Helicon" 1600. These you may not think it worth while to have, but if you

want them, you must
let me know immedi-
ately or even they may
be gone.

Yours very faithfully
J. Payne Collier

Cornelius Paine Esq.

Each Part of "England's
Heritage" will cost you 10/
or 20/ for the whole.
